We've found the answers to life's big questions, and a security that goes beyond the here and now.

Join us, and discover what it is to live life to the full.

The Beacon Church is a group of people who have found that the claims of Jesus Christ - that He was God's Son, sent into the world to save us - are true and relevant to life in the 21st Century. Our members are from many different walks of life and backgrounds but they all have this one thing in common: they have found meaning and purpose through knowing Jesus Christ. We are building a committed community of believers who are passionate in their pursuit of Jesus Christ, and who visibly demonstrate God's love and power to the world. We offer a wide range of activities for everyone from the sceptical seeker to the committed worshipper. Our weekly meetings on Sundays at 10:15am are open to all and offer activities for children and a crèche for toddlers and babies. We are deeply involved in our community, and seek to demonstrate God's love for all people through a multitude of programmes, contacts and initiatives. Our passion is to see lives changed and our community transformed. Please contact us by phone or Email for further help or information.
